

# Giving astrology its rightful place

MANDEEP PURI, BUZZ BUREAU  
CHANDIGARH, MAY 17, 2011

Since thousands of years, Astrology is being practiced in various forms in our nation. In India, records exist today which point clearly to a highly developed knowledge of astrology as far back as about 6,500 BCE.

It is believed that gemstones are vital and have a wide influence on all aspects of life. Vishhwas Genuine Gemstones in its endeavour to spread awareness upon the importance and relevance of Astrology & Gemstones, to facilitate the use of gems and to provide knowledge on their proper use and role, a day long "Vishhwas Astrology Seminar" was organized by Vishwas Gemstones.

The seminar, organized today was divided in five sessions. Gemstones in Astrology by Renowned Astrologer Sh Madan Gupta Spatu; A Lecture on Astrology by Sh Anil Kaushal from ICAS; Gochar Phal by Sh Karan Ahuja, member of the American Federation of Astrologers; Shani aur Aap by Senior Vedic Astrologer Sh Rajiv Sharma; How to Detect Fake Gemstones by prominent gemologist Sh Soli Sethi, Gemologist & MD, Vishhwas Gemstones & Sethi Sons Jewellers.

The panelists threw light on the various topics and also spoke on the rising importance of Gems in India and Globally. All the sessions were interactive and panelists answered all the queries of the audience. The session on spotting the difference between a real and a fake gem had several people asking a lot of questions, which were all, answered diligently by Sh Soli Sethi.

Over the years Astrology has been a very personal and futuristic topic for all. The seminar shed light on the basic points to be kept in mind before buying a gem. The seminar was followed by a Free Astrology Camp. A large number of people participated in the camp and benefited from the advice of these eminent personalities.

Speaking at the seminar Sh Soli Sethi, Gemologist & MD, Vishhwas Gemstones & Sethi Sons Jewellers said "We are very happy to conduct this seminar and the free astrology camp for the residents of the region. This seminar is a part of our constant endeavour to create awareness and spread knowledge on gems, their use and importance.
